Defendant Robert F. Simone has been home schooling me since Feb 25th 2003, teaching me to write lawsuits. Defendants forced me to sue DMX a/k/a Earl Simmons in Maricopa County, Arizona case # CV 2007-014707 For Mob conn on the cob ties, Baseball getting when Curt Shilling was a world series pitcher in 2001. Defendants forced me to sue Florida state Football coach Bobby Bowden on 4-18-07 in Leon County, second Judicial circuit Tallahassee Florida case # 2007CA002579 because a lawsuit would distract Bobby Bowden from coaching while Defendant Merlino has secret ties with Penn state coach Joe Paterno his god father, who is right behind Bobby Bowden all time in wins. A lawsuit would distract Bowden, and Paterno would pass Bowden in wins. ON 4-16-07 Defendants threaten me with John Stanfa who said he is going to transfer to FCI Williamsburg from USP Leavenworth if I don't sue Michael Vick in Allegany County, Cumberland Maryland case # 01-C-07-028465 cc because Cumberland is a private CCW Golf Course that needs cashhouse revenue since John Gotti's death.

I was the "Billy Graham of Philly Scams" From 1995 - 2003. Defendants sent Linda Vizzi Special Agent Philly FBI after my Identity theft movements. Defendants Stalked me at Season 2 Place on 6-23-07. Defendants tried to break my Knee caps when I went skiing at Blue Mountain in the Pocono 500, like they did to Sonny Bono cause Bono found out Cher was having a Affair with Scarfo in 1988.

Defendants plan to break into Main Line Models in King of Prussia PA and take my copyrighted modeling pictures and sell them to K&B agents for rare 1943 Vodka unopened, using my teeth as a corkscrew

TRO Temporary Restraining order

I'm scared defendants are going to bury me next to Jimmy Hoffa. Defendants Made Steve Fossett disappear because Fossett owed NBA ref Tim Donaghy LCN Philly mob money through Scores Nightclub in New York. Defendants plan to bribe Philadelphia Eagles coach Andy Reid's sons Judges to get both of them on probation. I have Nightmares that a Mob of Sicily Italians and Fiats are going to execute me with Saddams gallows. Defendants have my cell wiretapped by New England Coach Bill Belichick and my room guarded my Prodi foot soldiers with Macta accents and Swiss guards with Army Knives ready to get Italian Fel Williamsburg inmates to stalk me with prison butter knives. I need my medication
